Notes

What did the women find missing?

What did Mary think happened to the body of Jesus?

Why were his disciples hiding behind locked doors?

Do you believe that Jesus rose from the dead?

Family Faith

Simplified Sermon Takeaways

Luke 24 1-8 On Sunday morning, some women went to Jesus' tomb and found the stone rolled away and His body gone. Angels told them, "Jesus is alive! Remember, He said He would rise again." The women were amazed and ran to tell His friends the good news

Questions to Engage

- How do you think the women felt when they saw the empty tomb?
- Why is it so amazing that Jesus came back to life, just as He said?
- Who would you want to share the good news about Jesus with, and why?

Family Spiritual Fitness Challenge:

Take time together to imagine the excitement the women felt hearing the angels say, "Jesus is alive!" Share how you would react if you heard that news.

1 Peter 2:24

He himself bore our sins in his body on the tree, that we might die to sin and live to righteousness. By his wounds you have been healed.

"I had to be humbled because I'd gotten big and strong and I thought you know, 'I can do anything,' well no if you can't do anything if you don't get breath from our Lord."
