

BUILDING STRONG FAMILIES FOR GOD

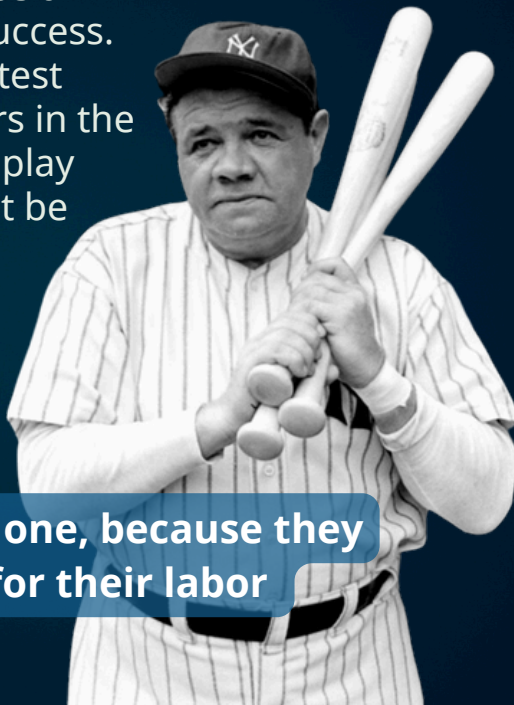

Teamwork and Accountability Ecclesiastes 4:9

"The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime."

Simplified Sermon Takeaways

Ecclesiastes 4:9 teaches us that two people working together can accomplish more than one person alone.

Let's Bread it down!

- **Teamwork is powerful:** Working together makes things easier and more effective.
- **Support each other:** Friends can help each other when they fall or face challenges.
- **Shared success:** Achieving goals together is more rewarding than doing it alone.

Questions to Engage

- Can you think of a time when you worked with a friend to solve a problem? How did it go?
- Why do you think it's important to help each other when someone is struggling?
- How do you feel when you accomplish something with a friend compared to doing it by yourself?

Hebrews 12:1: "...let us run with endurance the race that is set before us."
